

Dear East Cobb Middle School Families,

The ECMS PTSA and Foundation invite you to invest in our first ECMS Jr. Wildcat Development Campaign. The goal of this collaborative fundraiser is to expand the knowledge of every student through a variety of educational opportunities, and every dollar raised will stay at ECMS. Rather than selling candy or wrapping paper, we ask every ECMS family to simply make a tax deductible donation to the Jr. Wildcat Campaign that is meaningful to them for the full benefit of our students, teachers, and programs.

Our goal is to raise \$17,000 for 2017 to support ECMS in the following ways:

- Technology upgrades (STEAM and Project Lead the Way)
- Student recognition (Honor Roll celebrations and end of the year awards)
- Enrichment field trips (Fully fund 8th grade and supplement 6th and 7th grades)
- Departmental and administrative grants (All departments and connections)
- PBIS (Positive Behavioral Intervention and Supports)
- Staff and teacher support and appreciation
- Family engagement events

If we achieve our goal, this will be the only fundraiser to fund all PTSA and Foundation initiatives this school year. The Jr. Wildcat Campaign Investment Levels are listed below, and any amount is encouraged and appreciated. You can write a check and return this form or donate online at www.ecmsptsa.com and click on the “Make Your Investment” tab and then the “Donate” button.

The Campaign will kick off on October 17, 2016 and run through November 16, 2016.

Student Name _____ Homeroom/Grade _____

Address _____

Parent(s) _____ Email Address _____

Amount invested: Platinum (\$200) ___ Gold (\$150) ___ Silver (\$100) ___ Bronze (\$50) ___ Other \$ ___
